**Package number:** EC071 – Disposal of Surplus 50 Person Refurbished CA5400 SOLAS Lifeboat Capsule

**Issue date:** 23 August 2019

**Closing date:** 9 September 2019

#### GENERAL

Encana Corporation (Encana) is the owner and operator of the Deep Panuke natural gas project in Nova Scotia's offshore. The project includes facilities required to produce natural gas from the Deep Panuke field, located approximately 175 kilometers offshore Nova Scotia. Encana ceased production from Deep Panuke in 2018 and has begun the work required for decommissioning activities.

The decommissioning of the Deep Panuke facilities will include the disposal of a surplus 50 Person Refurbished CA5400 SOLAS Lifeboat Capsule and associated spare parts. The Lifeboat is currently located in an outside storage yard in Dartmouth, NS and available for sale in the Fall of 2019.

Companies interested in the Lifeboat detailed below are requested to express their interest to receive a future formal bid package.

The Lifeboat will be offered on an "AS IS, WHERE IS" basis at Encana's shorebase in Dartmouth, NS. Encana will be responsible to load the Lifeboat on Purchaser provided transportation. All transportation costs shall be the responsibility of the successful Purchaser. Successful Purchaser will be required to make payment by certified cheque, prior to taking delivery.

Encana seeks companies interested in purchasing the following:
