**EXPRESSION OF INTEREST (EOI) AND PREQUALIFICATION**

**Deep Panuke Project  
Deinstallation and Transport**

Issue Date: **June 10, 2019**

Closing Date: **July 2, 2019**

PACKAGE: SM102 - Barge Outfitting

---

**GENERAL**

Kvaerner Canada Limited (Kvaerner) hereby invites interested parties to submit an Expression of Interest (EOI) and complete the Prequalification in connection with Kvaerner’s De-installation and Transport Scope of Work, or future Invitations to Tender, for the SBM Nova Scotia Contractors Ltd. Deep Panuke Project in Nova Scotia, Canada.

**SCOPE OF WORK**

Kvaerner is issuing this EOI to identify the availability and capability of organizations to perform barge outfitting work required for De-Installation and Transport of the Deep Panuke Platform. The scope of work outlined in this EOI involves the following:

- Receiving, safe mooring and ongoing care for De-installation Barge
- Cleaning of the barge deck and general on hire assistance as required
- Procurement of structural steel materials and timber for barge outfitting
- Pre-fabrication and installation works for deck grillage, cribbing, fenders, access, etc.
- Surface protection, painting, rectification, etc
- Procurement of various miscellaneous outfitting items if/as required
- Commissioning of various functional items and systems as/if required

There shall be a requirement to liaise and coordinate with barge charterer, barge owner, class society representatives, marine warranty surveyors and other project personnel as necessary during execution of the work. Respondents shall be aware of the requirement to furnish all berthing, manpower, tools, equipment, materials, consumables, scaffolding and supplies pertinent to the execution of the related work.

Responses to this Expression of Interest must contain the following information:

**REQUIREMENTS**

EOI respondents are required to have an implemented EH&S Management System and a registered Quality Management System (complete with a current certificate issued by a recognized third party that certifies that the Quality Management System meets the requirements of the ISO 9001 or equivalent). Respondent(s) are also notified that the work carried out on the Deep Panuke de-installation and transport work scope shall comply fully with Canada-Nova Scotia Offshore Petroleum Board Regulations and all regulatory requirements.

Respondent(s) are requested to demonstrate their capabilities and experience via a formal response to this EOI. There may be some overlapping information in the responses and the respondent is required to make best efforts to clearly address the requirements below (A) as well as the questionnaire (B) in response to the EOI.

The response must completely address both **A** and **B** below:

**A: Confirmation of requirements described below.**

Supply of Outfitting Services

Please confirm your ability to sufficiently meet the requirements and specifications listed below, as related to the barge outfitting scope of work:

- Outfitting and berthing in accordance with all applicable local and national rules and regulations
- Project management and engineering services
- Health, Safety, Environment, and Quality management including (but not limited to):
  - Health, Safety and Environmental management plan
  - Quality management plans/systems (provide details on any registrations/certifications)
  - Inspection and testing
  - Fabrication procedures and documentation
  - Risk management systems
- Schedule and Progress reporting
- Shop drawings, weight and material management, and plans for assembly, lifting, handling, load-out, etc.
- As-Builts and Audit/Inspections
- Provide client office/facilities
- Weld procedures and qualification reports in accordance with CWB, DNVGL, Client and Fabricator engineer

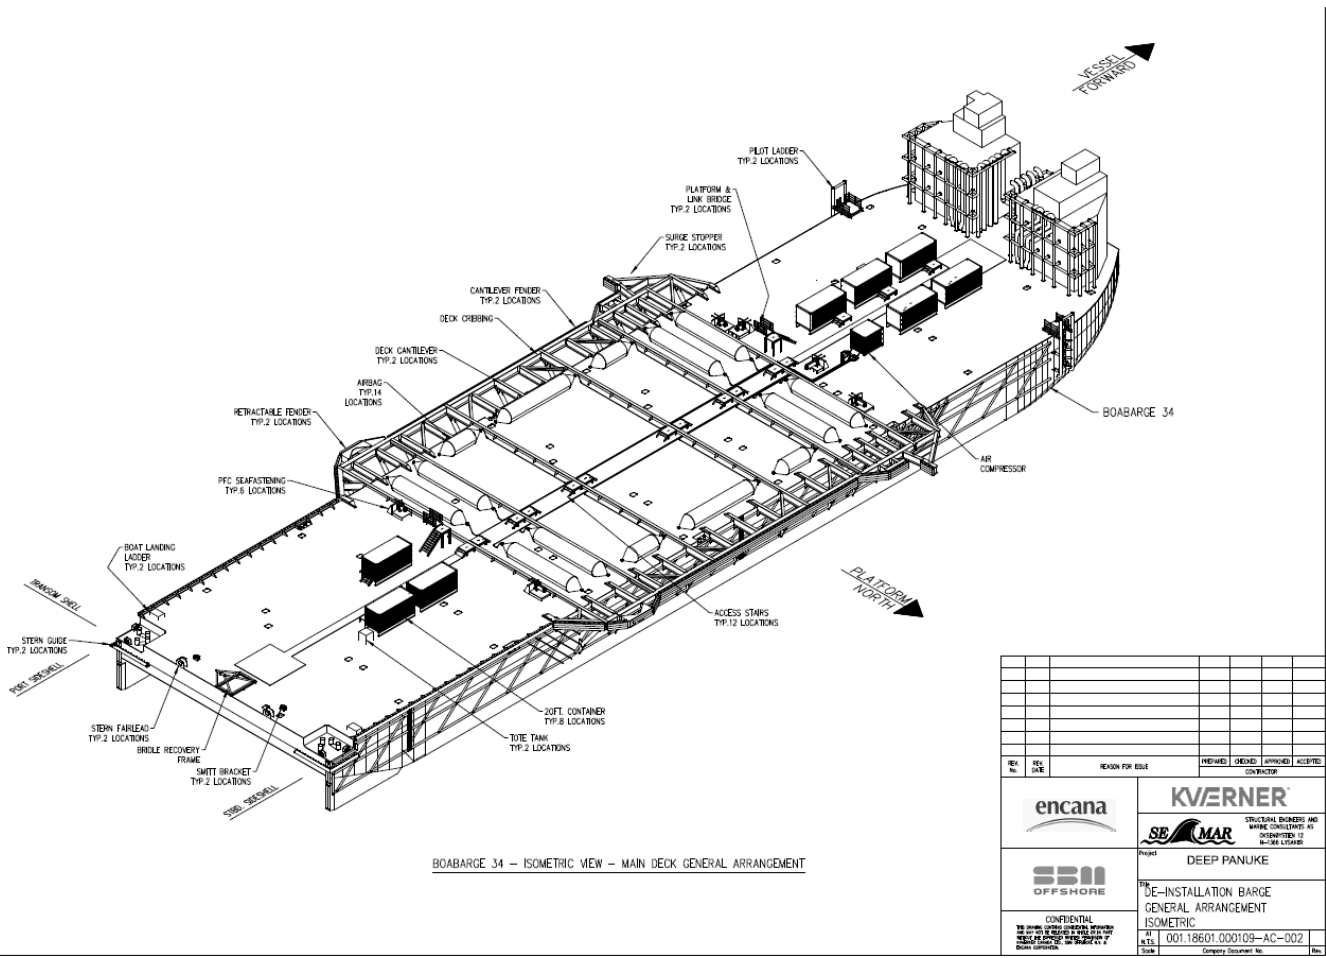

**NOTE:** During the EOI process; interested Respondent’s may be subjected to technical, quality and/or safety qualifications and or audits for the purposes of validating their operations and procedures.

- *The outfitting steel tonnage for this package has an initial estimate of approx. 700 Te, including contingency.*
- *The dimensions for the de-installation barge are 140m x 36m (LxW) with a moulded hull depth of 8.54m*
- *Barge Fully Loaded Draught = 6.32m*
- *Barge Deadweight = 24,600Te*

**EQUAL OPPORTUNITY**

Kvaerner is an equal opportunity employer and as such supports diversity in the workplace. Successful suppliers and subcontractors to Kvaerner will be required to undertake a commitment to support diversity in execution of work on the Deep Panuke Project.

**RESPONSES AND SUBMISSION REQUIREMENTS**

Applicant(s) must clearly identify the procurement package code assigned to this EOI in their responses. Applicants' EOI submissions must provide the complete company name and address and the names, titles and telephone numbers of two contact persons.

Participation in this EOI process, including any statements or representations, whether oral or written between Kvaerner and interested applicants, shall not create or be deemed to create, any binding legal relationship or contract.

Kvaerner may elect to generate a pre-qualified bidders list subject to the response(s) to this EOI. Kvaerner is under no obligation to proceed with an Invitation to Tender as a result of this EOI. Only those respondent(s) deemed acceptable by Kvaerner will be invited to participate, in the event tenders are solicited. Kvaerner also reserves the right to award more than a single contract resulting from an Invitation to Tender.

**EXTERNAL POSTINGS**

To ensure all potential supply communities are informed of upcoming opportunities Kvaerner will be posting all EOI's on bids.ca; maritimesenergy.com; and NOIA.ca. Email submissions should have the title of the email follow the below naming convention.

Please send EOIs via email to the following secure email address: [DeepPanuke.Procurement@kvaerner.com](mailto:DeepPanuke.Procurement@kvaerner.com)

All information, correspondence and submittals must be in English and the subject line of the email must be formatted as follows: **EOI Submission - Package Number - Package Title**
