

## DEEP PANUKE

### EXPRESSION OF INTEREST (EOI): TRAINING SERVICES

**Bids Category:** 9402, 9404

**Package Number:** SBM NS 32 – Training Services

**Issue Date:** 14 August 2015

**Closing Date:** 28 August 2015

### GENERAL

**SBM Nova Scotia Contractors Inc.** (SBM NS) operates the Production Field Centre (PFC) for the Deep Panuke field on behalf of Encana Corporation.

The PFC, which contains all of the main natural gas processing facilities, is located approximately 250 km southeast of Halifax, Nova Scotia, Canada approximately 47 km west of Sable Island and in approximately 44 metres water depth.

The PFC is capable of producing up to  $8.5 \times 10^6$  m<sup>3</sup>/day (300 MMscfd) of natural gas from subsea wells. H<sub>2</sub>S and CO<sub>2</sub> are removed from the fluid stream during processing with market ready gas exported to shore via a subsea pipeline. An interconnection with the Maritimes and Northeast Pipeline (M&NP) system transports the gas to markets in Canada and the United States.

SBM NS is committed to providing opportunities for Nova Scotian and Canadian companies through employment, procurement and contracting on an internationally competitive basis, with full and fair opportunity for Nova Scotians and Canadians, and first consideration to Nova Scotians where competitive on a best value basis.

More details about SBM NS are available on [www.sbmdeeppanuke.com](http://www.sbmdeeppanuke.com) website. More information on Deep Panuke is available at [www.encana.com/deeppanuke](http://www.encana.com/deeppanuke)

### SCOPE OF WORK

SBM NS is seeking qualified companies for the supply of Training Services as follows:

- Provision and supply of training services/courses in compliance with all regulations and guidelines for the operation of Deep Panuke Production Field Centre. All training shall be in accordance with the CAPP Training and Qualification Guidelines and any other applicable regulatory requirements or guidelines (as may be amended from time to time).
- Provision of all resources and infrastructure necessary to complete the training services/courses, including, but not limited to: staff, materials, classrooms and practical facilities
- Provision of auditable records of training and attendance.

Courses SBM NS may require include, but are not limited to, the following. Some courses are generic in nature; other courses will require tailoring to meet SBM's specific standards and requirements.

Offshore survival

## PROJECT SCHEDULE

A Request for Proposal (RFP) together with relevant specifications will be issued to a list of Bidders chosen from the responses to this EOI. Issue of the RFP and award of contract are expected by Q3 2015.

## EXPRESSION OF INTEREST REQUIREMENTS

EOI respondents are required to have the following implemented (i) Documented Quality Management System and (ii) Documented Safety Management System that complies with their respective national HSE regulation requirements. Respondents are also advised that the Work carried out on Deep Panuke shall comply fully with Canada Nova Scotia Offshore Petroleum Board Regulations.

Interested firms are requested to demonstrate their capabilities and previous experience on similar size projects via a formal response to this EOI and the Prequalification Questionnaire, which are to be obtained from BIDS at the address provided below.

SBM NS will select qualified bidders using the respondents to this EOI as a guide.

Pre-qualified companies will be required to complete a Canada–Nova Scotia Benefits Questionnaire, and demonstrate their commitment to and compliance with SBM requirements regarding Canada–Nova Scotia Benefits, during the tender process.

Expressions of Interest must be received on or before **August 28, 4:00pm AST**.

All inquiries and Expressions of Interest must be clearly marked with the EOI reference number and should be directed to:

**SBM Nova Scotia Contractors Inc.**
