

DEEP PANUKE

EXPRESSION OF INTEREST (EOI): TRAINING SERVICES*

Bids Category: 9402, 9404

Package Number: SBM NS 32 – Training Services

Issue Date: 17 May 2017

Closing Date: 06 June 2017

GENERAL

SBM Nova Scotia Contractors Inc. (SBM NS) operates the Production Field Centre (PFC) for the Deep Panuke field on behalf of Encana Corporation.

The PFC, which contains all of the main natural gas processing facilities, is located approximately 250 km southeast of Halifax, Nova Scotia, Canada approximately 47 km west of Sable Island and in approximately 44 metres water depth.

The PFC is capable of producing up to 8.5×10^6 m³/day (300 MMscfd) of natural gas from subsea wells. H₂S and CO₂ are removed from the fluid stream during processing with market ready gas exported to shore via a subsea pipeline. An interconnection with the Maritimes and Northeast Pipeline (M&NP) system transports the gas to markets in Canada and the United States.

SBM NS is committed to providing opportunities for Nova Scotian and Canadian companies through employment, procurement and contracting on an internationally competitive basis, with full and fair opportunity for Nova Scotians and Canadians, and first consideration to Nova Scotians where competitive on a best value basis.

More details about SBM NS are available on www.sbmdeeppanuke.com website. More information on Deep Panuke is available at www.encana.com/deeppanuke
