

## Environmental Mitigation Project

### Pneumatic Controller Replacement Project Mitigation Project Completion Notice

This notice is submitted to meet the requirements of the Consent Decree between the United States of America, the State of Utah, and Ovintiv USA Inc. (“Ovintiv”).

Section VI of the Consent Decree requires Ovintiv to implement the Environmental Mitigation Project (“Project”) described in detail in Appendix B of the Consent Decree. Appendix B describes the Project completion notice requirements:

1. the final costs,
2. estimated final total emission reductions achieved as of the date of the notice,
3. as well as a projected annualized emission reduction, locations, and dates of all pneumatics replaced, retrofitted, or eliminated as part of this Project

Ovintiv’s Mitigation Project Plan was approved by the EPA and UDAQ on September 4, 2024. The Project was completed by July 31, 2024, as required by the Consent Decree Appendix B and the Mitigation Project Plan. The final emission estimates for this Project are below, and the final costs are attached to this Notice.

I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.
